Itemized Property Damage Valuation

Comprehensive valuation of structural and technical hardware losses sustained on November 18, 2025, due to the pressurized main chilled-water line rupture on Floor 6, leading to severe cascading flooding within the Floor 5 Main Server Data Core Facility.

DESCRIPTION OF LOSS / REMEDIATION ITEM	QTY	UNIT PRICE	TOTAL AMOUNT
Emergency Structural Water Extraction & Drying Hazardous industrial water extraction, high-capacity dehumidification, and containment setup executed following Houston Fire Dept response (HFD-ENGINE-08-992144).	1	\$18,500.00	\$18,500.00
Structural Drywall & Raised Floor Remediation Demolition and complete replacement of 2,500 sq ft of water-warped, delaminated high-density anti-static raised flooring and structural drywall/ceiling envelope panels on Floor 5.	1	\$42,300.00	\$42,300.00
Core Server Rack Enclosure Replacement Replacement of structural data center server enclosures with integrated intelligent power distribution units (PDUs) shorted out during the 90 PSI effluent flood.	14	\$8,500.00	\$119,000.00
Blade Server Hardware & Compute Array Replacement Procurement and hot-swap configuration of enterprise compute blade nodes and SAN storage array nodes suffering catastrophic direct technical hardware shorts.	1	\$385,000.00	\$385,000.00
	1	\$62,400.00	\$62,400.00

DESCRIPTION OF LOSS / REMEDIATION ITEM	QTY	UNIT PRICE	TOTAL AMOUNT
Network Switching & Fiber Infrastructure Cabling High-density fiber optic interconnects, core regional switches, and patch arrays re-routing to mitigate total hardware loss of use.			
Certified Network Engineering & Emergency Recovery Labor Emergency engineering hours for infrastructure reconstruction, bare-metal server recovery, and regional financial network synchronization.	120	\$175.00	\$21,000.00
Business Interruption & SLA Default Penalties Contractual financial network default liabilities incurred due to the immediate cascading regional network system blackout (11/18/2025 to 11/20/2025).	1	\$145,000.00	\$145,000.00

PAYMENT TERMS & NOTES

Deductible Reference: Per Policy GL-334981-2025, a Per Occurrence Property Deductible of \$5,000.00 has been applied directly to this valuation matrix.

Payment Instructions: Remit all insurance settlement distributions or direct liability payments to Sovereign Data Hosting Infrastructure Inc, Attention: Corporate Finance & Claims, Austin, TX office.

Validation Standard: Values established through independent forensic inspection and certified procurement replacements corresponding to standard commercial liability adjustment frameworks.

Gross Evaluated Loss:	\$793,200.00
<i>Less Policy Deductible:</i>	<i>-\$5,000.00</i>
Net Claim Total:	\$788,200.00
